SloanSecure™ Barrier Controls
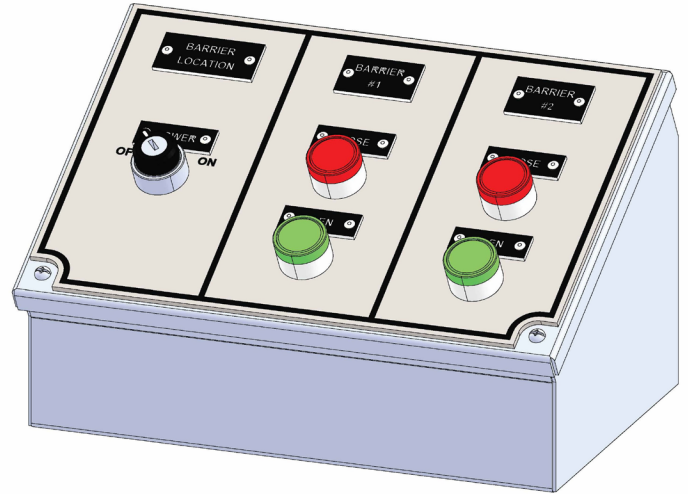

ITEM: #SCP-1900 SERIES

SLOAN SECURITY GROUP

PRODUCT FEATURES

Barrier Controls You Can Count On.

SloanSecure™ Barrier Controls are designed to enhance your access control security with a versatile panel that can be configured to control up to four barriers simultaneously. With its simple, user-friendly interface, SloanSecure™ Barrier Controls are the perfect solution for commercial vehicle access control.

• Simple, intuitive, and easy to use
• Integrates with top barrier brands
• Detailed documentation and instructions
• Made in the USA

PRODUCT BENEFITS

Simplicity. Compatibility. Reliability.

Integrates With Other Brands

Universal compatibility, ensures smooth integration with top vehicle barrier manufacturers.

Key Controlled Access Management

Key controlled access capability allows you to manage access creating a layer of additional security.

Military-Grade Components

Built from the same rugged components used in barrier controls deployed at U.S. Military installations.
